In the English Bible of the yeare 1579.

Let the Christian Reader note the corruption and impudent boldnes of our Aduerfaries, that vpon a false priuate perfuation of their owne, that S. Paul was not the Authour of this Epiftle, leave out his name in the title of the fame, contrarie to the authentical copies both Greeke and Latin. In old time there was fome doubt who should be the writer of it, but then when it was no leffe doubted whether it were Canonical Scripture at al. Afterward the whole Church (by which only we know the true Scriptures from other writings) held it and deliuered it, as now fhe doth, to the faithful for Canonical, and for S. Paules Epiftle. Notwithftanding the Aduerfaries would have refused the Epiftle, as wel as they doe the Authour, but that they falfely imagin certaine places thereof to make againft the Sacrifice of the Maffe.

Heretical corruption.

The Epiftle to the Hebrewes is S. Paules.
